## C - BECOMING a STRUCTURAL INTEGRATION PRACTITIONER

---

**1. What has inspired you to become a Structural Integration Practitioner?**

**2. What bodywork or movement work have you personally experienced, and what were the results?**

**3. As a SI Practitioner you may be working with people of all ages who have a variety of backgrounds, personal histories, and personal problems. People may experience a wide variety of emotional or physical reactions during sessions including anger, sadness, joy, and physical or emotional discomfort. Practitioners must possess the ability, desire and emotional maturity to work intimately with others. Please discuss your life experience and personal traits that indicate your ability to manage such situations.**

*Rate your overall readiness in this area on a 1 - 10 scale:* 1 2 3 4 5 6 7 8 9 10

**4. As a SI Practitioner you will physically work with people's bodies. Please discuss your experience with / feelings about working with people in this manner.**

*Rate your overall readiness in this area on a 1 - 10 scale:* 1 2 3 4 5 6 7 8 9 10

**5. As a SI Practitioner you will use your body in an active way. Describe your body, what lessons you have learned from it, and how you feel it will support your work as a Practitioner.**

*Rate your overall readiness in this area on a 1 - 10 scale:*    1       2       3       4       5       6       7       8       9       10

**6. This adult education professional training includes much independent study. Comment on your competency and experience with time management and self directed learning.**

*Rate your overall readiness in this area on a 1 - 10 scale:*    1       2       3       4       5       6       7       8       9       10

**7. Present your financial plan for paying for tuition, lodging, travel expenses, absences from work and any commitments you have outside the training e.g. mortgage payments, other loans, credit card, etc. for the time you are in the training and for your first few months in private practice. Please present your options should this plan not work. Be very detailed and specific.**

**8. As a SI Practitioner, you will be an independent business person solely responsible for the success of your business including promotion, marketing, sales, client development and management, scheduling, finances, etc. This requires initiative, confidence and most of all commitment. How prepared are you to be responsible for your own business? What prior experience do you have to call upon? Discuss what this means for you and why you feel you will be successful.**

*Rate your overall readiness in this area on a 1 - 10 scale:*    1       2       3       4       5       6       7       8       9       10

**9. Undertaking a major career change often requires the support of others in one's life. Discuss how your close family and friends feel about your choice and what support you could expect from them.**

**Rate your overall readiness in this area on a 1 - 10 scale:**    1       2       3       4       5       6       7       8       9       10

**10. What are your greatest strengths and what might be your weaknesses as a future SI Practitioner? Discuss your concerns and/or questions.**

**11. What do you consider your 3 major accomplishments in life?**

**12. Imagine that it is ten years from now. Write a brief outline of what you have accomplished in those ten years.**
